

The Prize:

There will be three winners who will each receive prize money of £100, making a total prize pot of £300.

How the pictures will be used:

All images shared with us may be used on all our platforms for you and others to see. We will credit the photographer where any photographs are used.

How the winner will be announced:

We will select a winner fairly and announce it on our social media channels.

Who can enter

This competition is for anyone who has a Manchester postcode (any beginning with M) or a postcode that is covered by South Manchester Credit Union's common bond area (such as SK4). Any children that wish to take part must have an adult or carer submit an entry on their behalf. For anyone outside of the allowed entry postcodes, you can feel free to enter your photographs, although you will not be considered when selecting the winners. These photographs may, however, still be used by us on our platforms, so keep an eye out!

Any staff, directors, or their close families can also enter their photographs, but will not be considered when selecting the winners. These photographs may also be featured on our platforms.

Each person has a separate entry into the competition. At least one photograph must be provided to be entered. One person can submit up to 3 photographs for entry – any photographs entered after the third will not be entered, but may still be featured on our platforms.
